Re: Request for Help

Dear Clerks,

I am the Director of the Office of Professional Regulation (OPR), and I am writing asking for your help in ensuring that Residential Contractors who need to be registered with our office know how to get properly registered.

**The one-year grace period to register as a Residential Contractor ends on March 31, 2024. OPR needs your help to get the word out about the registry.**

Enclosed you will find an informational poster to hang in your office. If you would like additional printed copies sent to you, please reach out to Tara Grenier at [tara.grenier@vermont.gov](mailto:tara.grenier@vermont.gov) or 802-828-2808.

Thank you in advance for your help with this important initiative,

Kevin A. Rushing, Director  
Office of Professional Regulation
